

RECOVER THE MASTER SWORD

A life-sized re-creation of The Lost Woods

THE LEGEND OF
ZELDA
BREATH OF THE WILD

THE BIG PICTURE

Enter the Lost Woods & Find the Master Sword

A **to-scale, live installment of the Lost Woods** complete with gnarled trees and interactive mist. This leads to the Korok forest where fans are met by koroks, The Great Deku Tree, and The Master Sword.

But the sword won't budge.

The Great Deku tree, along with Korok interactions, **give fans clues to solve a puzzle** to get the Master Sword to finally emerge from its pedestal.

THE FLOW

1

Arrive. Fans enter a live-sized re-creation of the Lost Woods, gnarled trees, and a misty path greet them.

2

Instruction and Warning. A sign near the entrance indicates that fans must traverse an invisible path through the Lost Woods to recover the Master Sword.

However, it warns them that the mist is alive and will block their path should they go the wrong way.

THE FLOW

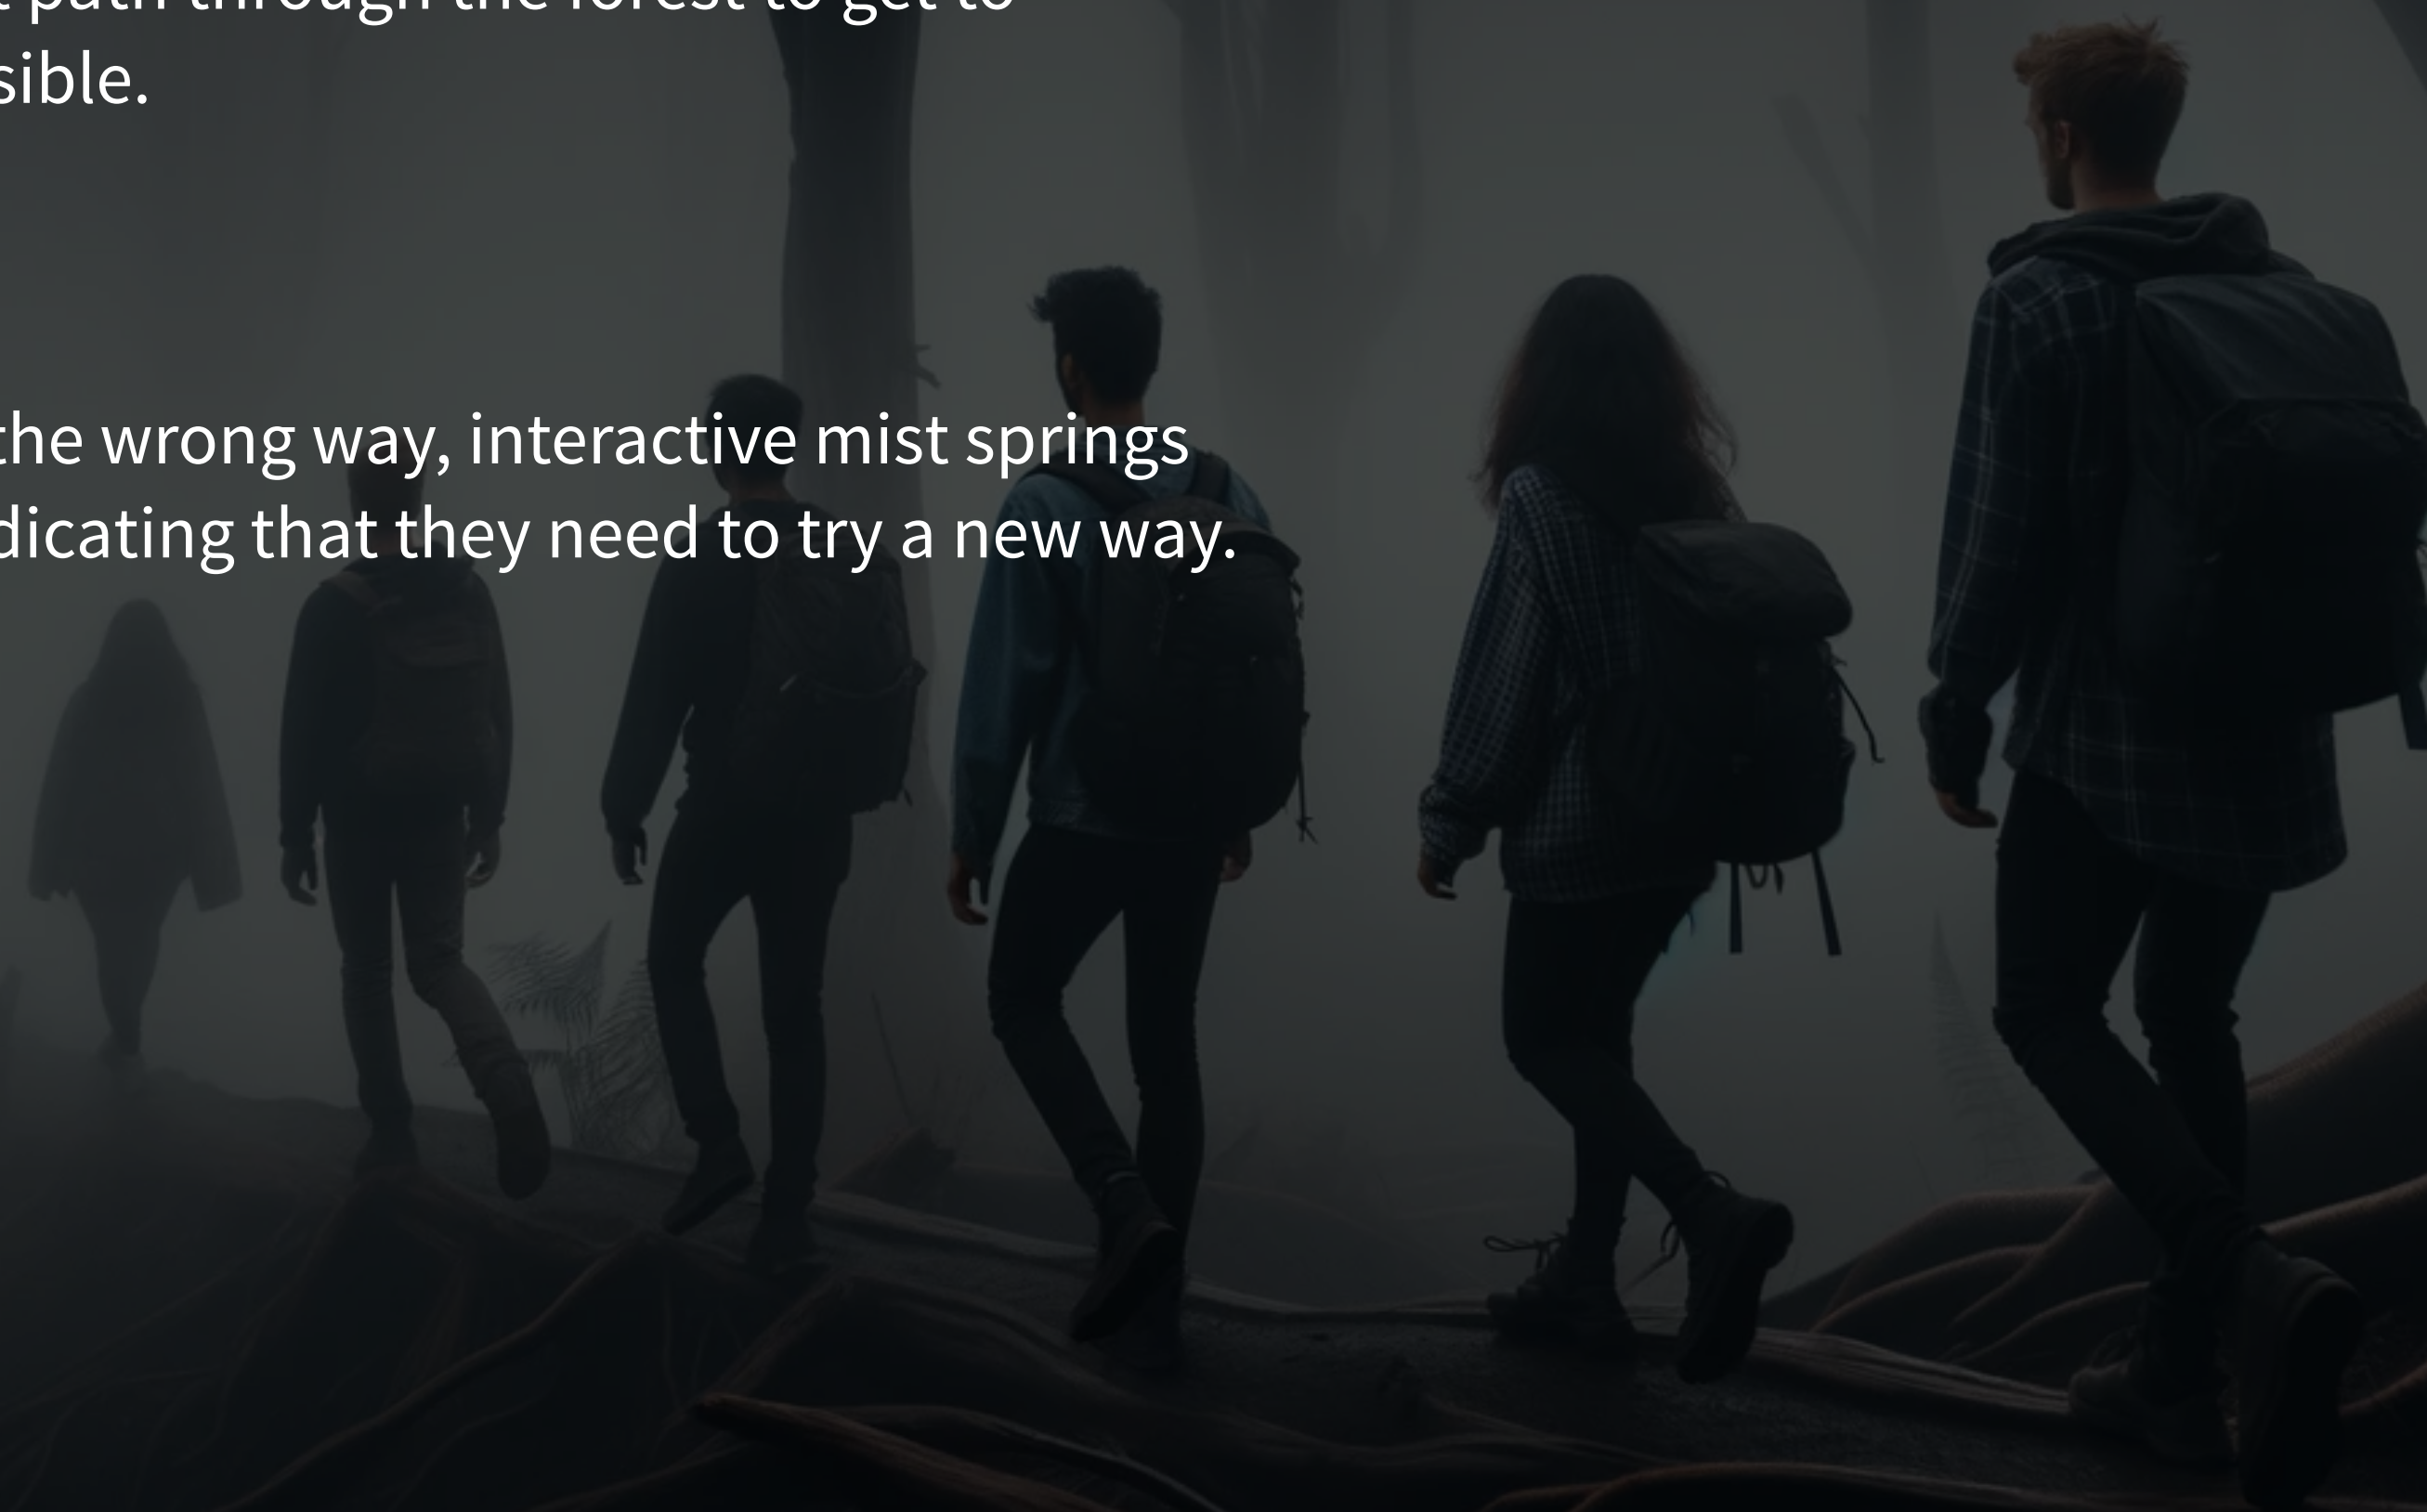

3

The Path. Fans begin their journey through the lost woods while the iconic music from the game plays softly throughout.

They must take the correct path through the forest to get to their goal, though it is invisible.

4

The Mist. Should fans go the wrong way, interactive mist springs up, blocking their path, indicating that they need to try a new way.

THE FLOW

5

Arrival in Korok Forest. Eventually fans arrive in Korok forest. Light streams through as they are greeted by lovable little koroks, Hestu, the Great Deku Tree, and The Master Sword in the center.

6

The Deku Tree. Upon arriving, the Deku tree speaks, congratulating them for making their way through the forest. He encourages them to try and pull out the Master Sword.

THE FLOW

7

It's Stuck. When fans attempt to remove the Master Sword, it doesn't budge.

8

The Puzzle. The Deku Tree informs them that three ancient artifacts need to be placed at the corners of the rectangular platform where the Master Sword sits.

He encourages them to look around and talk to the residents of the forest to find the artifacts.

THE FLOW

9

Find the Artifacts. Fans have to search around Korok forest, getting clues from Hestu and the Koroks as to the location of the artifacts.

10

Recovering the Master Sword. After all three artifacts are found and placed, the Master Sword begins to glow blue. It can then be removed!
